The Earned Income Tax Credit (EITC) is a tax credit for certain lower-income families and individuals. For information and to determine if you qualify, simply dial 800-829-1040, or visit www.irs.gov/individuals.

We are required to include your name, address and usage information on a list of eligible customers that is made available to other competitive retail electric service providers. If you do not wish to be included on this list, please call us at 1-800-225-0444, go to the Customer Choice section of our website - www.firstenergycorp.com - or write to us at 341 White Pond Dr. Akron, OH 44320 Attn: FECC. Please note that an election to not be included on this list will not prevent Ohio Edison, The Illuminating Company or Toledo Edison from providing your information to governmental aggregators. If you previously made a similar election, your name will continue to be excluded from the list without any additional action on your part. If you previously decided not to be included on the list and would like to reverse that decision, please call or write us at the same telephone number and address.
